W E L C O M E T O C O N R A D M A L D I V E S R A N G A L I I S L A N D

A celebration of design and human spirit, Conrad Maldives expresses an accord of form, function and innovation in driving hospitality trends that has set the benchmark in its style. Rejecting trends in design to create a space that invites and inspires with an innovative and distinctive design that sits in perfect harmony with the natural environment.

Commended for its pioneering achievements, Rangali Island was the first resort to showcase water villas built on stilts above the lagoon offer undersea dining at its restaurant Ithaa. Its wine and cheese bar was a Maldivian first, and the celebrity chef restaurant Ufaa by Jereme Leung complements the other award-winning 10 restaurant and bars. Two spas, including one over the sea with glass-floored treatment rooms, offer relaxation and rejuvenation, and the rare and diverse marine wildlife on show cements Conrad Maldives Rangali Island as one of the premier island destinations worldwide.
